Visit of Margii family of Kolkata

Margi family from Kolkata visited Anandanagar from 18th to 23rd December 2017.

Sanction for construction of a Bye-pass road Around Ananda Nagar

The people of areas surrounding Ananda Nagar like Chitmu, Nowahatu, TatuwaraetcPanchayet villages used to avail the roads of Ananda Nagar (Made and maintained by AnandaMarga Authority) for their usual movements. Traffic was increasing day by day causing congestion as well as its maintenance expenses.

It was appealed to the District authority for construction of a road (which was not constructed fully) for use of traffic of these areas and was being pursued for the same. Finally the District authority sanctioned fund for construction of the same.

Meeting with District Social Welfare Officers

The Social Welfare Officer, Purulia District has called in a meeting in their office on 18th December. Ac. NarayananandaAvt, Ac NityanavinaanandaAvt, AvadhutikaAnandaSritisudha Ac. and AvadhutikaAnandaVratisha Ac. have attended this meeting. The detailed information of all the Homes of Ananda Nagar was furnished to the officers.

Sanction of fund for re-construction of a Check Dam cum Bridge over Gowai River connecting Diamdiha and Ghagra village by National Insurance Company Ltd.

The Dimdiha, Ghaghra and Chatka villages in Ghaghra Gram Panchayet within the periphery of Ananda Nagar are very dry and water-starved area. Entire agricultural land of this area is solely dependent on the monsoon rain and can be cultivated only once in a year. Almost all the marginal farmers and their families of this area are under privileged and living a miserable life depending solely on the agricultural farming. Moreover, entire area also suffers from severe scarcity of drinking water and non-drinking water required for other household purposes. These dry and barren lands can be made green and water problem can be solved to a great extent if a check dam can be constructed across the Goyairiver at Dimdiha-Ghaghra village in Dimdiha-GhaghraMouza falling in Ghaghra Gram Panchayet of Joypur Block under Purulia District.

The benefits from this dam will be as under:

- a) More than 1200 acres of land will get water for irrigation though out the year which will ultimately benefit to the 1134 under privileged families comprising 6375 people.
- b) Marginal farmers will be able to cultivate more than one crop in a year which will enhance their income and more income from sale of fish.
- c) Ground water level will be raised underneath the barren soil by arresting huge amount of excess rundown rain water for a longer period of the year.
- d) Scarcity of drinking water and non-drinking water will come down.
- e) Greenery and aforestation of the catchment area of the dam will be increased to a great extent.

Construction of the check dam was started initially a few years back. However, the work was stopped midway due to shortage of fund.

Then a plan and project for re-construction of the remaining portion as also the cost of the project has been prepared and recommendation obtained the members of the Ghaghra Gram Panchayet, Upa-Pradhan and Pradhan of Ghaghra Gram Panchayet and Sbhapati of JoypurPanchayetSamiti, Sub-Divisional Officer, Jhalda Sub-Division of Purulia District.

Rector Master approached to the National Insurance Co. Ltd (NIC) which is a Central Government of India undertaking for providing fund from their Corporate Social Responsibility Scheme.

Finally the NIC have agreed to provide the fund of Rs. 34.22 lakhs and an agreement has been made on 26th December, 2017 through a Memorandum of Understanding (MOU).

Hearty reception to Purodha Pramukh (PP) Dada

On 30 Dec 2017 PP Dada, Acarya Kinshuk Ranjan Sarkar arrived Ananda Nagar for Dharma Maha Sammelan to be held on 1, 2 and 3 Jan 2018. Good number of the WT Dadas, Didis and margiis assembled to receive him on his arrival at Ananda Nagar.

Painting work of Rotunda (Auditorium)

Painting of Rotunda has been started.
